

Lake Superior Sustainable Farming Association  
Harvest Festival 2011  
Notice to Vendors

**All Registration forms to be a Vendor/Exhibitor must  
be received by: August 10<sup>th</sup> 2011**

- Products sold at the Harvest Fest must be homemade or locally produced.
- People selling their own products and keeping the proceeds must have their own vendor booth, unless they are giving a demonstration involving that product.
- People giving educational demonstrators may sell their own products at their demo site, and the vendor fee is waived.
- Product resale is permitted only if proceeds are donated to a non-profit organization, subject to approval of the Harvest Festival planning committee.
- People may sell their own products at another organization's booth only as a fundraiser for that organization, subject to HF committee approval.
- The Harvest Festival requests its food vendors to use locally produced ingredients as much as possible and to use products free of genetically engineered organisms (GMOs), including rBGH in dairy products.
- The sale of soda pop is not permitted at Harvest Festival.
- **Food Vendors must use compostable/biodegradable containers when distributing their food.**
- Raw food products sold must be produced in NE MN or NW WI.
- Food vendors must come from NE MN or NW WI.
