Dear Harvest Festival Vendor-

The Harvest Festival is the premier venue for learning about sustainable agriculture and food systems. Over the past 18 years, this event has grown into the largest event of its kind in the region. We invite you to participate in this year's Harvest Festival, hosted by the Lake Superior Sustainable Farming Association.

Harvest Festival is a one-day family event attracting thousands of visitors, bringing producers and consumers together to develop a healthy and sustainable local food system. In addition to a farmer's market, it features crafters, artists, live music, youth activities and much more.

The 18<sup>th</sup> annual Harvest Festival will be held in Duluth's Bayfront Park, Saturday, September 10<sup>th</sup> from 11am to 5pm (rain or shine).

Harvest Festival is returning to its roots, and will be FREE to all who want to attend this year. Harvest will focus on the food and bringing citizens across the region to celebrate sustainable agriculture.

As we gear up for the 2011 Harvest Festival we are eagerly searching for the best vendors who will offer food fresh from the farm, locally made arts and crafts, local ingredients in prepared food and beverages, and non-profit public and private businesses to promote their services.

We hope that you will join us in order to make Harvest Festival 2011 a fun-filled and educational event for our community.

Sincerely,

Jamie Ebert  
Lake Superior Sustainable Farming Association  
Coordinator
